### DAY 04 : ORLANDO : KENNEDY SPACE CENTRE [KSC]:

After breakfast proceed to the **Kennedy Space Centre**

located on the East coast of Florida, approximately midway between Jacksonville and Miami. The Space Centre represents an amalgamation of technology and nature. In 1975 nearly half of the space centre was designated by Congress as the Canaveral National Seashore, a part of the Merritt Island National Wildlife Refuge. Inspire young imaginations with an interactive educational experience at the world's busiest spaceport. Salute to Science is a fun, educational, team-building experience that makes the most of your day at Kennedy Space Center Visitor Complex with a combination of a guided program from the on-site education team and time to explore on your own.

During this, students:

Attend a private briefing to learn about important science concepts related to space exploration  
Enjoy a private presentation with a veteran NASA astronaut  
Engage in a hands-on, minds-on Team Engineering Challenge  
Experience the IMAX space films  
Visit to the Heroes & Legends exhibits

**Evening leave from the KSC and proceed for a fun shopping time at the Florida Mall. Dinner will be served in restaurant & Overnight in Hotel.**

**DAY 05 : ORLANDO : KENNEDY SPACE CENTRE [KSC]:**

After breakfast proceed to the **Kennedy Space Centre**

Nowhere else on Earth can students train to go to Mars and experience astronaut training than at Kennedy Space Center Visitor Complex. Today's students are the next generation of space explorers, and there is nothing more inspirational than astronaut training with authentic NASA science and engineering.

Students will join the crew as they begin a spectacular new mission simulation including launching, landing and walking on Mars. Perform a spacewalk through exciting and immersive microgravity simulation technology. Trainees will also participate in a launch of NASA's Space Launch System (SLS) rocket as a member of both the launch control team and the Orion capsule crew. Throughout the training, create personalized video logs of the unforgettable experience to revisit after you complete your mission.

Also experience the Space Shuttle launch – Here students will experience the Shuttle Launch, its an authentic flight simulator designed to replicate the thrill of launching into the space aboard the Space Shuttle.

**Evening visit the Cocoa Beach for some games and entertainment. Dinner will be served in restaurant & Overnight in Hotel.**

**DAY 06 KENNEDY SPACE CENTER (NASA):**

After breakfast proceed to the **Kennedy Space Centre**

- ✔ **IMAX** - In two giant IMAX theatres, the dream of spaceflight comes alive to students with a wall of sound, a five-story screen and realistic 3-D special effects. Dramatic footage shot by NASA astronauts during actual missions allow students to feel like they're floating alongside them. Hubble 3-D is the newest film with images shot directly with the Hubble Telescope.
- ✔ **RACE TO THE MOON** - Experience the wonder of the Apollo Program from the days leading up to the first launch and to the Moon landings that followed. At the Apollo/Saturn V Center, stand in amazement under the gigantic Saturn V, the largest rocket ever flown! Discover historic moments with Apollo 8 and the Firing Room, view legendary artifacts in the Treasures Gallery, and relive the events that surrounded the landing of the first man on the Moon in the Lunar Theater. Here, get an up-close look at the moments and monuments that helped America win the race to the Moon.
- ✔ **LIFE TIME EXPERIENCE TO MEET & HAVE LUNCH WITH AN ASTRONAUT**
- ✔ **BEHIND THE GATES**
- ✔ **Space Shuttle Atlantis** - Get a close-up view of Atlantis, the only space shuttle displayed in flight. Space Shuttle Atlantis also includes many interactive exhibits celebrating the history, technology and impact of NASA's Space Shuttle Program.

- ✔ **FOREVER REMEMBERED** - Visit the memorial honoring the astronauts who lost their lives during space shuttle missions STS-51L Challenger and STS-107 Columbia.
- ✔ **CONSTELLATION SPHERE** - Known as a Kugel ball, this 9 ton black granite sphere etched with 88 constellations floats on a fountain of water, demonstrating the science of buoyancy and friction.
- ✔ **FIERY RIDE HOME** - Experience your own landing by riding the re-entry slide to the first floor of Space Shuttle Atlantis. The exciting adrenaline rush brings is only a small peek at how the astronauts felt during their real space shuttle landing.
